ficwriter @AngieLedbetter My southerner father never uttered a racial slur and had a colorful array of friends. Why I adore Atticus Finch. #litchat ,284,152,774,000.00 via TweetChat in reply to AngieLedbetter

laurelrußwurm @AngieLedbetter It's probably harder to write an Atticus than a bad father. He is so perfect. That's hard to do believably. #litchat ,284,152,783,000.00 via TweetChat in reply to AngieLedbetter

CarolyBurnsBass Looking at contrasts in #tkam, do you see any polarization? If so, did it interfere with your perception of the book?

IreneZiegler TKAM was Robert Duvall's 1st movie. Played Boo Radley. Atticus offered to Jimmy Stewart; turned down by the experts -- are you hearing that literary fiction is dead? *sniff* Hey @katmagendie. #litchat

AuthorWilliam @IreneZiegler And I bet you rocked it. Dorothea is a GREAT character. She was the most compelling character in the book.

IreneZiegler Character of Dill was, of course, based on Truman Capote, Harper Lee's childhood friend. (Is such trivia too much for you?)

EverettMaroon @AuthorWilliam #tkam #litchat Wow, someone brought up A SEPARATE PEACE? I didn't think anyone would mention it.

J_GriffinB Has she ever spoken about why she only wrote the one novel? One such piece, you have to wonder how she got it done.

IreneZiegler @EverettMaroon Is A Separate Peace still assigned? Maybe not due to perceived homosexual themes? It's a great book.

SusannaSpeier Heard Norman Jewison speak about the film version of #tkam at Skirball a few years back. Was his grandfather the one who gave her the book?

@LitChat I read it in the hospital, a copy which belonged to my grandmother. Naturally it was very moving, but I don't think I'll ever read it again.

IreneZiegler @AngieLedbetter Returned in mail? You mean you sent book to her and she signed/returned? #litchat

AngieLedbetter @J_GriffinB I read that she wrote another entire ms after tkam, but the publicity circus drove her to write it.
