LexxClarke Hello Hello, I'm here, I'm here, sorry was finishing off dinner! #litchat -1:09 PM Sep 21st, 2009
rebeccacantrell Heck, what keeps me from writing? Eating, sleeping, regular life, a sneaking suspicion the plot is wrong... #litchat -1:09 PM Sep 21st, 2009
LaurenBaratzL @mdbenoit2 No worries. I'm happy to be greeted, no matter what the circumstances. #litchat -1:09 PM Sep 21st, 2009
LyndaDW I haven't written anything yet but I love to read and really enjoy Litchat #litchat -1:09 PM Sep 21st, 2009
WriteGirlDSM Writing @ home keeps me from writing. The laundry, dishes, any little speck of dust distract me. #litchat -1:10 PM Sep 21st, 2009
LitChat I've taken THE CREATIVE BATTLEGROUND as a nod to @SPressfield's THE WAR OF ART. Steve will be guest host on Friday. #litchat -1:10 PM Sep 21st, 2009
pirateannie #litchat What keeps me from writing? the worry that it's not good enough. must.get.over.that. -1:10 PM Sep 21st, 2009
WriteGirlDSM I make much more progress at a cafe or library but that is not always feasible, especially as snowy weather approaches. #litchat -1:10 PM Sep 21st, 2009

mariblaser Huge name confusion here. Sorry about that... @mdbenoit2 @LaurenBaratzL #litchat -1:10 PM Sep 21st, 2009
mdbenoit2 Every time I start to write a book, it's like the first time I tried. Have to conquer fear. #litchat -1:11 PM Sep 21st, 2009
CDominiqueG @scgreen Im in a constant battle with dog ... who also happens to be the gateway to my muse #litchat -1:11 PM Sep 21st, 2009
rebeccawoodhead Hi everyone - am on tweetchat now *waves* I'm an author-in-waiting have been trying to trend #peace today #litchat -1:11 PM Sep 21st, 2009
LexxClarke RT @CDominiqueG: @scgreen Im in a constant battle with dog ... who also happens to be the gateway to my muse irony much?! #litchat -1:11 PM Sep 21st, 2009
mdbenoit2 My bad in the 1st place. RT @mariblaser: Huge name confusion here. Sorry about that... @mdbenoit2 @LaurenBaratzL #litchat -1:12 PM Sep 21st, 2009
Maidenfine SF/Fantasy writer from Kansas here. Looks like an awesome group today. #litchat -1:12 PM Sep 21st, 2009
rebeccawoodhead Creative battleground - recently it's been being overwhelmed by poverty. Hard to focus on creative endeavours when struggling. #litchat -1:12 PM Sep 21st, 2009
rebeccacantrell @mdbenoit2 So true. You would think we'd build up some confidence. #litchat -1:13 PM Sep 21st, 2009
LaurenBaratzL Not to be contrarian, but I don't have a creative battleground. All I see are creative opportunities. #litchat -1:13 PM Sep 21st, 2009
pirateannie @rebeccawoodhead hi :) i can be here for another 10 mins & then home ... to write! #litchat -1:13 PM Sep 21st, 2009
Maidenfine I would say that the majority of my creative battleground comes in the form of a 2-yr old. #litchat -1:13 PM Sep 21st, 2009
Debs1 @litchat My full time job, my dog, my family, the phone, sleep . . . #litchat -1:13 PM Sep 21st, 2009
rebeccawoodhead I think hardship can actually be helpful to a point but there's a point where it tips over and you just panic. Panic's not creative #litchat -1:13 PM Sep 21st, 2009
danish_novelist @scgreen I often find that being disturbed can work for you. Having too much time can be a problem as well, strangely enough #litchat -1:13 PM Sep 21st, 2009
rebeccacantrell And let's not forget the Internet as a creative drain. #litchat -1:14 PM Sep 21st, 2009
pitchparlour The only thing that defeats me is that I haven't done my research properly and I should bloody well knuckle down. #litchat -1:14 PM Sep 21st, 2009
CarolyBurnsBass @LaurenBaratzL You are a glass is half-full kind of girl. A glass half-full has room for more, no? #litchat -1:14 PM Sep 21st, 2009
rebeccawoodhead @pirateannie yarr! Pirate friend! Grab some cheddar and scrumpy and lets talk creative battlegrounds! #litchat -1:14 PM Sep 21st, 2009
mdbenoit2 @rebeccacantrell And then my fear translates into procrastination... tweets, blog reading, reading, even cleaning house :(#litchat -1:14 PM Sep 21st, 2009
mariblaser @mdbenoit2 From my part, no probs! Let's head to #litchat then? :-)-1:14 PM Sep 21st, 2009
hprw RT @pitchparlour: The only thing that defeats me is that I havent done my research properly and I should bloody well knuckle down. #litchat -1:14 PM Sep 21st, 2009
LaurenBaratzL @CarolyBurnsBass I know. I'm annoying, aren't I? #litchat -1:15 PM Sep 21st, 2009
hprw (Hello, by the way.) #litchat -1:15 PM Sep 21st, 2009
rebeccawoodhead @LaurenBaratzL lucky you. #litchat -1:15 PM Sep 21st, 2009
WriteGirlDSM Ahh, yes, research: that's a big bad for me, too. #litchat -1:15 PM Sep 21st, 2009
mdbenoit2 RT @rebeccawoodhead: Hardship can actually be helpful but theres a point where it tips over and you panic. Panics not creative #litchat -1:15 PM Sep 21st, 2009
Debs1 @pitchparlour Yes, research is the most fun and the biggest obstacle to my writing too! #litchat -1:15 PM Sep 21st, 2009
CDominiqueG @danish_novelist I agree, I allow myself to be distracted by twitter because, keeps my flow going whenever i get back to work #litchat -1:15 PM Sep 21st, 2009
LitChat Q1 In THE WAR OF ART, @SPressfield personalizes Resistance as the enemy to every creative endeavor. Discuss. #litchat -1:16 PM Sep 21st, 2009

<p>mdbenoit2 @danish_novelist I agree that sometime too much time is worse than not enough. #litchat -1:16 PM Sep 21st, 2009</p>
<p>rebeccacantrell RT @Debs1: @pitchparlour See, I can trick myself into saying research is essential since I write historicals. #litchat -1:16 PM Sep 21st, 2009</p>
<p>mariblaser Agree on that part. Where to go? RT @danish_novelist: @scgreen (...)Having too much time can be a problem as well, strangely enough #litchat -1:16 PM Sep 21st, 2009</p>
<p>virginiagee Lurking @ #litchat and #amwriting till I figure out what it's all about -1:16 PM Sep 21st, 2009</p>
<p>mdbenoit2 RT @rebeccacantrell: And lets not forget the Internet as a creative drain. <---No kidding. #litchat -1:16 PM Sep 21st, 2009</p>
<p>hprw Sometimes all you can do is sit down and write, because worrying about it is a way to avoid that blank page. #litchat -1:16 PM Sep 21st, 2009</p>
<p>scgreen Do we have any questions today or is it just a free-for-all? #litchat -1:16 PM Sep 21st, 2009</p>
<p>LexxClarke My battleground is the fact that I need to read, research, and categorise before I can write anything significant #litchat -1:16 PM Sep 21st, 2009</p>
<p>pirateannie @rebeccawoodhead Arr lass. :) i'll be back at 6-ish. my constant battle is with Time, of which I have not enough. #litchat -1:16 PM Sep 21st, 2009</p>
<p>CDominiqueG @LexxClarke lol hursh Lexxy, He's a Youzer, double terrier mix #litchat -1:16 PM Sep 21st, 2009</p>
<p>WriteGirlDSM Often, meeting a goal proves an obstacle as well, oddly enough. Worry over not being able to repeat abounds. #litchat -1:17 PM Sep 21st, 2009</p>
<p>scgreen Tweeted too soon. #litchat -1:17 PM Sep 21st, 2009</p>
<p>nicolamorgan ooh, it's #litchat - I had forgotten! What we talkin bout? Is @hprw here? If so, trouble ahead #litchat -1:17 PM Sep 21st, 2009</p>
<p>rebeccawoodhead once I'm in the flow of writing nothing distracts me. #litchat -1:17 PM Sep 21st, 2009</p>
<p>rebeccacantrell @pirateannie Maybe a little keel-haulin' will keep ya focused! #litchat -1:17 PM Sep 21st, 2009</p>
<p>pitchparlour Trollope (apparently) used to to time himself to 1000 words an hour. Then revise later. Not bad words, all told. #litchat -1:17 PM Sep 21st, 2009</p>
<p>Debs1 #Litchat I also have to fully visualize the scene from each character's perspective before I can write it -1:17 PM Sep 21st, 2009</p>
<p>hprw There's nothing like the spur of a deadline for soemthing I've already been paid for to get me writing. #litchat -1:18 PM Sep 21st, 2009</p>
<p>WriteGirlDSM RT @rebeccawoodhead: once Im in the flow of writing nothing distracts me. You're very lucky! :) #litchat -1:18 PM Sep 21st, 2009</p>
<p>nicolamorgan @rebeccawoodhead lucky you - I used to have that "flow" thing but it's gone with all the deadlines #litchat -1:18 PM Sep 21st, 2009</p>
<p>rebeccawoodhead @nicolamorgan creative battle grounds - what stops you writing. #litchat -1:18 PM Sep 21st, 2009</p>
<p>pitchparlour @nicolamorgan The 'Creative Battlefield' apparently. Yes, she's here. Take cover. #litchat -1:18 PM Sep 21st, 2009</p>
<p>hprw @nicolamorgan I'm here. We're talking about the creative battleground, but it seems to have moved on to movitation already. #litchat -1:18 PM Sep 21st, 2009</p>
<p>danish_novelist @CDominiqueG Yup. Writing blogs, tweets shouldn't be seen as "bad". It gets your juices flowing. Let them be appetizers to the meal #litchat -1:18 PM Sep 21st, 2009</p>
<p>rebeccacantrell Agreed. Fingers must keep moving. RT @hprw: Sometimes all you can do is sit down and write, because worrying is a way to avoid... #litchat -1:18 PM Sep 21st, 2009</p>
<p>nicolamorgan everything stops me writing if I let it, which I do. #litchat -1:19 PM Sep 21st, 2009</p>
<p>mdbenoit2 @LexxClarke Do you write fic or non-fic? #litchat -1:19 PM Sep 21st, 2009</p>
<p>pitchparlour @hprw Hahaha. Absolutely. Paid for and spent makes it even quicker. #litchat -1:19 PM Sep 21st, 2009</p>
<p>pirateannie @rebeccacantrell LOL. Well if I didn't have this *&^%^\$ fulltime job ... #litchat -1:19 PM Sep 21st, 2009</p>
<p>hprw @rebeccawoodhead @nicolamorgan Susan someone or other wrote a good book about writing in flow--worth reading. #litchat -1:19 PM Sep 21st, 2009</p>
<p>nicolamorgan I blogged about things that stop us writing the other day - we get into bad habits, think only certain envrionments are poss #litchat -1:19 PM Sep 21st, 2009</p>

mariblaser Also, sometimes family don't understand the time you spend researching, or even writing. Mine is at least trying to, so I'm lucky. #litchat -1:20 PM Sep 21st, 2009
pirateannie @nicolamorgan Oooh you're here! I like you! *makes fangirl noises* #litchat -1:20 PM Sep 21st, 2009
LexxClarke @mdbenoit2 non-fic #litchat -1:20 PM Sep 21st, 2009
pussreboots @pirateannie Then you'd be worrying about looking for work just like I am (instead of using time to write) #litchat -1:20 PM Sep 21st, 2009
rebeccacantrell Plenty o' time for breaks when yer between ships. RT @pirateannie: @rebeccacantrell if I didnt have this *&^%^\\$ fulltime job ... #litchat -1:20 PM Sep 21st, 2009
hprw @nicolamorgan Stops you so much that you've written and published all those books... can't imagine what you'd be like w/discipline! #litchat -1:20 PM Sep 21st, 2009
rebeccawoodhead @hprw I write really well once I'm in it but the stuff I write before that is very, very poor - bin fodder. My bin gets very fat #litchat -1:20 PM Sep 21st, 2009
kashicat Lurking on #litchat for now. -1:20 PM Sep 21st, 2009
hprw RT @nicolamorgan: blogged about things that stop us writing - we get into bad habits, think only certain environments are poss #litchat -1:21 PM Sep 21st, 2009
pitchparlour @nicolamorgan I loved the fact you put a scarf on the door. Mr P had a few days off recently; I thought I was going to kill him. #litchat -1:21 PM Sep 21st, 2009
nicolamorgan family used to stop me but I negotiated untouchable space - sacrf on doorhandle = no entry except in case of imminent death #litchat -1:21 PM Sep 21st, 2009
hprw @pirateannie Don't make fangirl noises at @nicolamorgan, it only encourages her.... #litchat -1:21 PM Sep 21st, 2009
Maidenfine @pirateannie I actually got more writing done when I was working. Now I'm home w/ the kid all day. And she doesn't nap. #litchat -1:21 PM Sep 21st, 2009
WriteGirlDSM @hprw Susan K. Perry, "Writing in Flow" - excellent book! #litchat -1:21 PM Sep 21st, 2009
danish_novelist @mdbenoit2 I always write the best stuff when I'm on my way out of the door. It frees me up knowing I don't have all day #litchat -1:21 PM Sep 21st, 2009
nicolamorgan @pitchparlour u wait till Mr P has SIX MONTHS OFF - could create good plot though? #litchat -1:21 PM Sep 21st, 2009
hprw @rebeccawoodhead I routinely discard first few pages each day when writing fiction. Non-fic isn't cutie so wasteful. #litchat -1:22 PM Sep 21st, 2009
rebeccawoodhead @nicolamorgan I'm scrabbling around for the writerly flow to kick in at the mo - too many stresses. Need to ignore it all & write. #litchat -1:22 PM Sep 21st, 2009
scgreen The most difficult Resistances are the ones I love... family. #litchat+ -1:22 PM Sep 21st, 2009
mdbenoit2 @kashicat Hi! #litchat -1:22 PM Sep 21st, 2009
nicolamorgan @hprw ooh, who was making "fangirl" noises?? do it again pleeeese #litchat -1:22 PM Sep 21st, 2009
mariblaser Brilliant! RT @nicolamorgan: family used to stop me but I negotiated untouchable space - sacrf on doorhandle (...) #litchat -1:22 PM Sep 21st, 2009
hprw @pitchparlour @nicolamorgan Scarf on door sounds like a signal for sex to me. Room for horrible confusion there, I think. #litchat -1:23 PM Sep 21st, 2009
pitchparlour @hprw I can only manage about 500 words a day, but I write heavily end-noted non-fiction. @rebeccawoodhead #litchat -1:23 PM Sep 21st, 2009
nicolamorgan @pirateannie ooh, thank you - I didn't see you there! Obviously I like you too! (Whoever you are...) #litchat -1:23 PM Sep 21st, 2009
LexxClarke Greetings @kashicat :o) #litchat -1:23 PM Sep 21st, 2009
hprw It was the lovely @pirateannie RT @nicolamorgan: who was making "fangirl" noises?? do it again pleeeese #litchat -1:23 PM Sep 21st, 2009
pirateannie @hprw but i want to encourage her. :P #litchat -1:23 PM Sep 21st, 2009
dlschubert My own random wanderings stop me. Checking blog, twitter, etc. Actually, it delays me, doesn't stop me. I check in & out! #litchat -1:23 PM Sep 21st, 2009
WriteGirlDSM @hprw LOL, same thought here. :) But, whatever works for you, use it! #litchat -1:23 PM Sep 21st, 2009

HoodedMan I sit in the silence of the forest or turn on music. Both approaches work #litchat -1:24 PM Sep 21st, 2009
hprw @pitchparlour I have been known to write 10k non-fic in a day when book deadline looms. Not lots of footnotes, though. #litchat -1:24 PM Sep 21st, 2009
rebeccawoodhead @nicolamorgan Hubby made me 'writing do not disturb' and 'blogging do not disturb' signs for the door #litchat -1:24 PM Sep 21st, 2009
pirateannie @nicolamorgan hahaha. Ive been dressed down by @hprw ... *slinks away* #litchat -1:24 PM Sep 21st, 2009
hprw Oh, no. We're in for a rough ride tonight. RT @pirateannie: @hprw but i want to encourage her. :P #litchat -1:24 PM Sep 21st, 2009
rebeccacantrell Not if you're writing about sexRT @nicolamorgan Scarf on door sounds like a signal for sex to me. Room for horrible confusion there #litchat -1:24 PM Sep 21st, 2009
mariblasers @hprw Maybe it depends on the color of the scarf? #litchat -1:25 PM Sep 21st, 2009
kashicat I find that sometimes when I make myself sit & write, the "boring" stuff from that day becomes most interesting the next day. #litchat -1:25 PM Sep 21st, 2009
pitchparlour @nicolamorgan Oh no. I get irritated when he forgets his lunch/keys/contact lenses and has to come back after five minutes. #litchat -1:25 PM Sep 21st, 2009
nicolamorgan Joking apart (if poss) don't u think if easy 2 write we wldn't have obstacles? It's cos it's so bloody hard. Emails easy to wrtite #litchat -1:25 PM Sep 21st, 2009
mdbenoit2 @hprw How many fingers do you have and how fast do you type? #litchat -1:25 PM Sep 21st, 2009
rebeccawoodhead @hprw wow! Never beat 5000 words in a day #litchat -1:25 PM Sep 21st, 2009
HoodedMan Writing my blog is a distraction that works. So is the focusing coming to me when I'm playing poker #litchat -1:25 PM Sep 21st, 2009
mariblasers RT @LitChat: Welcome to Monday's #litchat. We're talking this week about THE CREATIVE BATTLEGROUND. Please join us. #litchat -1:25 PM Sep 21st, 2009
nicolamorgan @pirateannie I can't keep up - way too slow at typing! #litchat -1:25 PM Sep 21st, 2009
rebeccawoodhead @nicolamorgan you may be right. #litchat -1:26 PM Sep 21st, 2009
pitchparlour @hprw *Groveling* No, doesn't happen for me, but I've done 7k outline in a day. Once. It wasn't very good. #litchat -1:26 PM Sep 21st, 2009
LitChat Q2 @SPressfield says that rationalism is Resistance's right hand man. What do you rationalize that keeps you from writing? #litchat -1:26 PM Sep 21st, 2009
dlschubert @nicolamorgan Good point. Humans are naturally undisciplined beings. Becoming disciplined is like becoming patient. It's a goal. #litchat -1:26 PM Sep 21st, 2009
Maidenfine I've only ever hit 5k in a day during NaNoWriMo. The rest of the year, I struggle to hit 5k in a week. #litchat -1:26 PM Sep 21st, 2009
mdbenoit2 @kashicat Same here. It's usually when I've struggled through that the writing is best. When it flows well, it sucks. #litchat -1:26 PM Sep 21st, 2009
nicolamorgan @rebeccawoodhead oooh, I wrote (non-fic) 11,000 words a day of non-fic, including researching as i went. Nearly died #litchat -1:26 PM Sep 21st, 2009
hprw @mariblasers If scarf was polyester I'd leave in a huff anyway, regardless of what it signified. #litchat -1:26 PM Sep 21st, 2009
rebeccawoodhead my problem is I'm never properly distracted. My characters are with me all the flaming time once they know I want to write #litchat -1:27 PM Sep 21st, 2009
hprw @mdbenoit2 I have horrible RSI now. Serves me right. Still write the odd 5k day, but longhand and dictation, not typing. #litchat -1:27 PM Sep 21st, 2009
kashicat @LitChat Do you mean in the sense that we find ourselves saying, "I have to do this first, and then write"? #litchat -1:27 PM Sep 21st, 2009
nicolamorgan @hprw you're very fixated on this sarf thing. Look, it could have been a leather tie or ANYTHING long and twisty #litchat -1:27 PM Sep 21st, 2009
pussreboots @LitChat Right now I'm rationalizing the fact that I need to find a job. I need to schedule writing into the job seeking time. #litchat -1:27 PM Sep 21st, 2009
pitchparlour @nicolamorgan And that is why you are a brilliant author, and I am a little wiener. 11k? *Expires* #litchat -1:27 PM Sep 21st, 2009
hprw @pitchparlour None of mine is very good, though. Volume I can do, quality I can't. #litchat -1:27 PM Sep 21st, 2009

mariblaser @hprw Not sure I understand the polyester reference... #litchat -1:27 PM Sep 21st, 2009
scgreen The family is only "understanding" when it doesn't encroach on their time. #litchat -1:28 PM Sep 21st, 2009
rebeccawoodhead @nicolamorgan Physically I could do that but mentally I'd be a mess by the end of it - 11k in one day? Was it any good? #litchat -1:28 PM Sep 21st, 2009
HoodedMan I'm totally undisciplined, except in two things: writing and poker #litchat -1:28 PM Sep 21st, 2009
WriteGirlDSM RT @hprw: @pitchparlour None of mine is very good, though. Volume I can do, quality I cant. That's what revision is for! #litchat -1:28 PM Sep 21st, 2009
hprw @nicolamorgan That's how I did it too. A whole book in under a fortnight. Eugh. Got paid, AND was told it was good but hmmm. #litchat -1:28 PM Sep 21st, 2009
CDominiqueG @danish_novelist now if I can just post on my blog regularly. #litchat -1:29 PM Sep 21st, 2009
pitchparlour @hprw Mine is like like wringing out a vaguely damp J-cloth. But it pays the bills! #litchat -1:29 PM Sep 21st, 2009
hprw @mariblaser Silk scarves lovely; polyester not nearly so nice. I'm a fabric snob. #litchat -1:29 PM Sep 21st, 2009
nicolamorgan @mdbenoit2 Oh no, I love when it flows. Thing is, hardly ever does now. I blame internet (but it's FUN +lovely 2meet pple) #litchat -1:29 PM Sep 21st, 2009
kashicat @nicolamorgan Do you suppose there's ever an element of being undisciplined that actually helps the creativity sometimes? #litchat -1:29 PM Sep 21st, 2009
mdbenoit2 My rationalization is the internal voice, the internal editor that tell me what NOT to write. It's not very productive. #litchat -1:29 PM Sep 21st, 2009
nicolamorgan @rebeccawoodhead Well it was non-fic, which i don't mean to be disparaging, but it was just me talking #litchat -1:29 PM Sep 21st, 2009
rebeccawoodhead @hprw being paid might increase my productivity. If I can do 5,000 words a day for nothing what could I do for magic beans? #litchat -1:30 PM Sep 21st, 2009
LexxClarke I try and make shorthand notes if inspiration strikes at work lol #litchat -1:30 PM Sep 21st, 2009
hprw @nicolamorgan Flow is different the more I write: I expect it more now, so am not so surprised when it arrives. #litchat -1:30 PM Sep 21st, 2009

pussreboots @LexxClarke I used to send emails to myself w/ ideas. #litchat -1:31 PM Sep 21st, 2009
nicolamorgan @hprw I am envious, honestly. I crave that flow back again. Narrative transportation #litchat -1:31 PM Sep 21st, 2009
Maidenfine I rationalize that I need to do whatever for my hubby or the baby before I can write. But I often don't want to do that either. #litchat -1:31 PM Sep 21st, 2009
hprw @nicolamorgan @kashicat No discipline often leads to flowery writing, though, so it's its own problem. #litchat -1:31 PM Sep 21st, 2009
WriteGirlDSM Flow on command usually comes when you have a solid process & schedule. Not a hard a fast rule but tends toward truth. #litchat -1:31 PM Sep 21st, 2009
LitChat @mdbenoit2 Can you give an example of what you mean by the internal voice telling you what not to write? #litchat -1:31 PM Sep 21st, 2009

kashicat @hprw @nicolamorgan Yes, I'd agree. Non-discipline should likely only occur in short doses. #litchat -1:32 PM Sep 21st, 2009

hprw @nicolamorgan Hypnosis puts you in the trance state that flow requires. Wonderful. Especially if you learn to go there yourself. #litchat -1:32 PM Sep 21st, 2009

rebeccawoodhead @hprw me too - it's like there's 2 'me's - the me that talks about writing & the one that writes. The writing one's pretty kick ass #litchat -1:32 PM Sep 21st, 2009

LexxClarke I've thought of using a dictaphone too, does anyone else do that? #litchat -1:32 PM Sep 21st, 2009

rebeccawoodhead @hprw you're so full of great info today! That's true. It is a kind of trance state but a super-productive trance #litchat -1:33 PM Sep 21st, 2009

WriteGirlDSM Absolutely. Everyone has his own writing style; the point is to figure out what that is for you and work it like crazy! #litchat -1:34 PM Sep 21st, 2009

hprw @nicolamorgan I was the one who told @pirateannie off, but I think she knew it was a joke. Hope so. Are you there, @pirateannie? #litchat -1:34 PM Sep 21st, 2009

kashicat @LexxClarke I once did considerable plotting of story while wearing voice recorder around my neck & tossing files in a basement. #litchat -1:34 PM Sep 21st, 2009

LexxClarke I think I rationalise by working out the level of guilt by what doesn't get done if I write #litchat -1:34 PM Sep 21st, 2009

LexxClarke @mariblasers It's more about how the writer is able to 'get away' with a lot of description rather than it seeming showy and verbose #litchat -2:03 PM Sep 23rd, 2009
rebeccawoodhead @GLHancock Fair enough. With the books I'm writing at the moment I knew they'd be a series but also needed them to stand alone #litchat -2:03 PM Sep 23rd, 2009
caitlinconstan This has done the impossible and inspired me to work on my book. I was at a hard chapter, avoiding it. Now I'm all excited. #litchat -2:04 PM Sep 23rd, 2009
GLHancock @George9Writer Over-analyzing anything is another form of procrastination/perfectionism. It happens during research, too. #litchat -2:04 PM Sep 23rd, 2009
LexxClarke @maggiedana: *been* potty?? *ducks* #litchat -2:04 PM Sep 23rd, 2009
alisonwells @maggiedana This is the kind of triumph over adversity story that the reading public love so much! You are a true writer #litchat -2:05 PM Sep 23rd, 2009
maggiedana Orig. version of WINDS OF WAR was 1500 pages. Little Brown made Wouk split in two, hence sequel. #litchat -2:05 PM Sep 23rd, 2009
wendykwebb Yay! RT @caitlinconstan This has done the impossible and inspired me to work on my book. #litchat -2:05 PM Sep 23rd, 2009

mariblaser @kashicat Yes, and I believe he did it marvelously. Perhaps series are easier to write than trilogies? #litchat -2:05 PM Sep 23rd, 2009

rebeccawoodhead Great chat. Thanks everyone #litchat -2:05 PM Sep 23rd, 2009

llunalila @caitlinconstan yes, best beta tester than hubby (who also writes) bc he keeps saying he doesn't understand YA or kids behavior #litchat -2:06 PM Sep 23rd, 2009

George9Writer @kashicat @mariblaser Yes, Tolkien was a world-builder, using his own mythology. Book not supposed to be chatty, short, concise. #litchat -2:06 PM Sep 23rd, 2009

mariblaser @LexxClarke I actually love Tolkien's descriptions. Just mentioned it because so many people critique it. But agree w/ you. #litchat -2:06 PM Sep 23rd, 2009

maggiedana @alisonwells Thank you. #litchat -2:06 PM Sep 23rd, 2009

alisonwells Read something about don't write book about themes write about something that happens. Themes can make book seem overwhelming #litchat -2:06 PM Sep 23rd, 2009

mciddangelo RT @maggiedana WINDS OF WAR - 1500 pages. Little Brown Wouk split in 2, hence sequel. <Shogun was almost as long and kept whole #litchat -2:07 PM Sep 23rd, 2009

caitlinconstan @llunalila Aw, that's too bad. I love good YA/kids lit. Don't think you need to be a kid to enjoy it. #litchat -2:07 PM Sep 23rd, 2009

kashicat @mariblaser The thing is, even Tolkien didn't write a series. So he's not even best example. #litchat -2:07 PM Sep 23rd, 2009

maggiedana Good one. RT @alisonwells: Read something about dont write book about themes write about something that happens. #litchat -2:07 PM Sep 23rd, 2009
